

CLAS Toolkit

Quickinar Three: Preparing for Your CLAS Work

0

Before you jump into CLAS activities, take time to get clear on two things:

- **your purpose** and
- **your intended outcomes.**

Get specific about what success looks like.

Ask:

- **What do we hope will change** through our CLAS efforts?
- **What outcomes** are we working toward?
- How will we know we've **made progress?**
